

2011-2012 St. Rose of Lima Religious Education Registration

Experience a Rich Tradition of Instruction and Faith Formation in the National Birthplace of Religious Education: St Paul, Minnesota

After petitioning Rome 121 years ago, the First Archbishop to St. Paul, John Ireland, was granted approval for a plan that would enable Catholic children who attended public schools to receive religious instruction after school hours. Religious Education in the United States was born.

Given such an important legacy, it seems only fitting that St. Rose continues this leadership of educating in the Faith. We begin by employing licensed, degreed teachers, *Professional Catechists*, in Grades 1-8 and volunteers who are trained and supported every step of the way in Confirmation and Sunday Preschool.

In addition to using only published texts recognized by our archdiocese for meeting the religion standards of the U.S. Conference of Catholic Bishops, we also infuse our programs at appropriate levels with scripture, prayer, family workshops and adult resources, retreats, Student Liturgy Club, Penance Services, service opportunities and the arts.

Please Note: Our small, current Third Grade class will become a Fourth/Fifth Grade split class in the Fall. The vast experience of master teacher, Lynn Crowley, will lead our children in thorough and rich Religious Education classes.

We invite both those parish families who have been enrolled in our programs, and those families who have not yet experienced Saint Rose Religious Education, to join us for a Faith Formation experience rooted in a long-standing commitment to quality.

The enclosed sheets will provide program details and assist you in the registration process. We eagerly await working with your children this fall.

Sunday Morning Preschool and Kindergarten of Religion

Faith Formation for our Youngest Parish Members!

While you are at Mass, worshipping, praising, and sharing God's love as a community, your child could be doing the same things – right next door – on a level that is understood by students in kindergarten and preschool.

St. Rose has a long-standing tradition of offering a Sunday morning program to meet the needs of our young parishioners. Centered around the weekly Gospel reading, we gather to praise God as a community while celebrating ourselves, family, friends, the world, and the seasons of the year.

An excellent curriculum and nurturing staff guide the children through a faith-filled experience that allows them to grow in God's love and understand His goodness.

Classes are held during 10:00 a.m. Mass from October through April. The program is open to children who are age three through kindergarten. Each class is limited to 12 students to assure a quality teacher/student ratio.

Our registration form is attached or may be downloaded from the St. Rose website at: www.saintroseoflima.net, click on Faith Formation and then Sunday Morning Preschool.

Volunteers are always needed. If you would like to share your faith as a teacher or assistant in the classroom, we would love to hear from you.

We welcome adults as teachers, as well as junior and senior high school volunteers as teaching assistants. Adult volunteer positions working with minors will require a satisfactory background check and completion of Virtus training.
