

## **Mrs. Wistl's Kindergarten Peek at the Week**

**Friday January 27, 2012**

**Theme-Catholic School's Week,  
Ground Hog's Day**

### **What's Happening**

In religion we talked about ways God shows His love for us. Then we talked about how we show love and care for other people. We said a decade of the rosary and read our Promise magazine. In math we began our new chapter on calendars and clocks. We worked on times of the day, days of the week and months of the year. I was impressed at how well they did. In language arts we read the story Ginger. We worked on letter li. Our high-frequency words are big and in. We did many activities around Valentine's Day.

### **Odds and Ends**

Next week is an exciting time for our school. We have so many special things planned for Catholic Schools' Week. I will mention a few things but check your schedules or the Redhawk for details. Each day they may be out of uniform. Check your schedule to see what the dress is. Each day we will have special activities to do. They also will be selling valegrams from Sunday through Friday of next week. If you buy them they should be filled out, colored and returned to me by Tuesday February 7<sup>th</sup>.

### **Reminders**

**Monday**-phy ed

**Wednesday**-mass, snow capades (weather permitting)
