

Mrs. Wistl's Kindergarten Peek at the Week

Friday February 3, 2012

Theme- Valentine's Day

What's Happening

In religion we talked about how God is around any place and anytime. We talked about the importance of prayer. We attended mass and read our Promise magazine. In math we did ordering of events, worked with the concept of minute and hour and worked on telling time to the hour. We also did some pattern block activities. We did some review in language arts, read stories about the ground hog and did many fun activities for Catholic Schools' Week.

Odds and Ends

You will find a book order for February in your child's folder. If you are ordering, the order is due Wednesday February 8. We will meet with our spirit partners next Wednesday. Next Monday we will not have school. There is a workshop for teachers.

Reminders

Monday-no school

Tuesday- phy ed

Thursday-library

Friday-phy ed
